

DEVONSHIRE JUNIOR ACADEMY

School PE and sport funding review 2019-21

Funding awarded: £18750

- Note that the review takes into account progress to March 2020 when school was affected by Covid-19.

Action	Amount	OUTCOMES
To provide 'bikeability' bike riding sessions for children through 'Sports Plus'. To purchase equipment as necessary to replace any old/broken helmets/bikes.	£3500	60% can now ride a bike, with over 60% being classed as 'proficient'. Every child made progress over their 10 week programme from their starting point and many have now had bikes at home to continue with their new skill. Parents have expressed positive comments about the sessions saying children are more confident or now want a bike. Some have tried unsuccessfully to get their children to ride a bike.
To subsidise daily sport clubs for all to attend. Ensure a wide range of opportunities and activities are led by sports coaches.	£2550	Children have all accessed these sessions and have become much more confident. Their own skills have increased from their very specific, individual starting points.
To provide transport and staffing to allow children to compete in sports competitions against other schools	£4000	Playtimes and lunchtimes are more activity based with supervision and planned activities in place. Children are encouraged to be active participants and the number of children taking part in activities has increased.
To link with the Albion Foundation to provide specific coaching for our more complex SEN pupils, and a lunchtime club for them.	£1500	Children have developed confidence in PE, and are accessing appropriate activities suitable to their individual needs. Some are now taking part in specific out of school activities and groups e.g SEND holiday clubs.
Employ Play Leader to lead playtime activities. Purchase more equipment as necessary.	£6000	More activities and competitive sports are on offer at breaktimes. Children are seen to be more active
Release PE lead to monitor provision and standards and link with other schools to organise more competitive events. Release other school staff to attend these events. Provide transport so the events are free to children.	£1200	PE lead has implemented action plans for training and support. Quality of provision is improved and the range of activities – in and out of school have improved.

Swimming Analysis:

Number of Y6 pupils who could confidently swim at least 25 metres	65
Number of Y6 pupils who could confidently use a range of strokes effectively	48
Number of pupils who can perform a safe self-rescue in different water based situations	10
