

## Science Programme of Study

	Autumn		Spring		Summer		Notes
<b>Year 3</b>	Virus (Covid)	Plants	Animals including humans	Forces and Magnets	Rocks Darwin	Light	
<b>Year 4</b>	Sound + Virus (Covid)	Electricity	States of matter	Animals including humans	All living things and their habitats	Materials and their Properties	
<b>Year 5</b>	Sound + Virus (Covid)	Earth and Space  Ptolemy Alhazen and Copernicus	Forces  Galileo Galilei Isaac Newton	Properties of everyday materials and reversible change  Spencer Silver Ruth Benerito	All living things and their habitats  David Attenborough Jane Goodall	Animals including humans	
<b>Year 6</b>	Virus (Covid)	Light	Evolution and inheritance  Mary Anning Charles Darwin Alfred Wallace	Electricity	All living things and their habitats  Carl Linnaeus	Animals including humans	

Sc1 – Working Scientifically (embedded within planning) – Planning/observing/recording/concluding/evaluating

Sc2 – Life processes

Sc3 – Materials and their properties

Sc4 – Physical processes
