

## Devonshire Infant and Junior Academies 'Prevent' Risk Plan 2021-2022

On 1<sup>st</sup> July 2015 the Prevent duty (Section 26) of The Counter-Terrorism and Security Act 2015 came into force. This duty places the responsibility on schools to have due regard to the need to prevent people from being drawn into terrorism.

As part of commitment to safeguarding and child protection we fully support the government's Prevent Strategy. Pal Chahal is the school's Prevent Lead. Devonshire Infant and Junior Academies are fully committed to safeguarding and promoting the welfare of all its pupils. As a school we recognise that safeguarding against radicalisation is no different from safeguarding against any other vulnerability. At Devonshire Infant and Junior Academies, all staff are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs. We believe that children should be given the opportunity to explore diversity and understand Britain as a multi-cultural society; everyone should be treated with respect whatever their race, gender, sexuality, religious belief, special need or disability.

### Links to Policies

The Prevent Risk Plan links to the following policies:

- Safeguarding Policy
- Behaviour Policy
- E-Safety Policies
- Equality Policy

The principle objectives are that:

- All Governors, teachers and non-teaching staff will have an understanding of what radicalisation and extremism are and why we need to be vigilant in school.
- All Governors, teachers and non-teaching staff will know what the school policy is on anti-radicalisation and extremism and will follow the policy when issues arise.
- All parents and pupils will know that the school has policies in place to keep pupils safe from harm and that the school regularly reviews its systems to ensure they are appropriate and effective.

- Pupils understand how to keep safe against radicalisation and extremism and are provided with the opportunity to develop their knowledge, skills and judgement to challenge and debate extremist views.

This Risk plan aims to minimise any potential risk to pupils regarding radicalisation and extremism

### **Definitions and Indicators**

Radicalisation is defined as the act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of the mind.

Extremism is defined as the holding of extreme political or religious views and extremists of all kinds aim to develop destructive relationships between different communities by promoting division, fear and mistrust of others based on ignorance or prejudice.

### **Context of the School:**

Devonshire Infant and Junior Academies are situated in Smethwick, West Midlands. We are part of Victoria Academies Trust. Our school is multicultural with pupils from a range of ethnic groups. The number of children who qualify for the Pupil Premium is just below (Infants) and in line (Juniors) the national average and the percentage of children identified with SEND is in broadly in line with the national average. We have Focus provision for 10 children across the two schools with ASD.
